MAN DEAD FOR WEEK DISCOVERED

Sunday afternoon, November 28 -- Following up reports from neighbors that an offensive odor was coming from the home belonging to Frank Joseph Carney at 63 El Dorado Street, Chief of Police Girolo and Fire Chief Terry and Firemen forced to break into the premises.

Entering the house they found the man dead on his bed where he had lain since his death a week before.

Mr. Carney, who had been under a doctor's care for heart trouble was last seen alive at a Brisbane church service the previous Sunday.

According to Deputy Coroner W. A. Cook who at first approximated the time of death to be 10 days before, stated that death apparently came after he arrived home from church services.

A native of New York City, he was 72 years old. He was a member of the Nelson A. Miles Camp No. 10, Spanish American War Veterans of Brisbane. Cook declared he is believed to be survived by a brother in New York and two sisters in the east. Funeral services were tentatively set for Thursday morning a the Cook Mortuary with interment at Golden Gate National Cemetery, San Bruno.

WATER DISTRICT

If you have not signed the Petition for the Water District, please do so shortly. The hearing for the District will be held Tuesday morning, December 21st in the Supervisors Chambers at Redwood City. Please attend if possible.

Over 50% of the voters of Brisbane have signed already.

There is a petition being circulated in each precinct now, so be sure to see to it to sign.

THE ROARING LIONS

The roaring lions have been tamed . . . that is, as far as bowling goes. Yes!, indeed, they have somewhat paralleled that baseball team, of the past season, that was riding high and suddenly took a slight slump, the San Francisco Seals . . . It seems as though the Brisbane Lions bowling team had about three weeks of tough luck and tough breaks. They lost games but all were close ones, losing by 3 to 18 or 19 points.

Tom Guzinsky was declared the most improved bowler in the league to date. He has upped his average something like 26 pins and that's quite a few pins in anybody's language. Al Nelson has shown considerable improvement along with Dave Reed. Then comes Jim Williams and Ted Dagler who both have rolled some surprising games.

Maybe we shouldn't mention this but the captain. Bob Vannucci, yours truly, seems to be having a little trouble. Could it be his 8 weeks old baby giving him a bad time? Well, it's a good excuse, mmmmm?

Last week the team came through and showed great winning spirit taking 2 for 3 from the Eagles. This may be a shot in the arm but before making any further predictions lets wait for future scoops. Merry Xmas.

CORRECTION!

Throug an unintentional error in last month's issue the names of two stores that donated merchandise for prizes to the Chamber of Commerce card party held in October, were omitted.

BRIBANE TEEN ATHLETIC AND SOCIAL CLUB

The Teen-age council composed of children of Brisbane, ranging in ages from 13 to 19 including Jr. and Sr. teen agers are holding dances for money and are the sponsors of their own club.

The Club started in 1947 and this year is being reestablished with the election of new officers.

Names of the first retired group of officers to organize the club are: Walter Hubrig, Norman Babkirk, Shirley Babkirk, Olive Chapman, Laura Ross, Melvyn Ingram, Helen Richards (Fassett).

The meetings will now be held Thursday nights at the Rec. building and the 1st meeting took place December 2nd.

New afficers elected are: President, Bob Tann; Vice Pres., Gale Hutchinson; Sec.-Treasurer, Doris Scott; Sgt.-at-arms, Edw. Barron.

Enthusiastic plans are under way to establish the club's own band and baseball team for the Spring season and perhaps uniforms for the players.

The next dance held December will be the Xmas dance.

The members heartily thank Clinton Stewart, official teen-age counselor for his great help in organizing the club.

Many thanks to those who generously gave donations for door prizes:
Vis-Valley Social Club, Frank King, Mrs. Cress and Mr. Boyd for obtaining slides for the Recreation Hall.

DRUM AND BUGLE CORPS

It was announced last month that the Drum and Bugle Corps had voted to take a two months vacation an dreturn to active practice the first Tuesday in January, 1949, but, due to their invitation to participate in the Parade and Pageant at the East-West Football Game, New Year's Day, they have again been very busy getting ready for this affair.

This is the most important activity these boys have been in and they are working very hard in order to be in tip-top shape when that day rolls around.

This parade and pageant will also call for added expense in order to get equipment in first-class shape and in order to secure the necessary funds to cover this expense we are having a Cake Sale at the Brisbane Furniture Store, Saturday, December 18th.

We all have worked very hard in order to get these boys in this game and all of us will appreciate anything the people of Bribane do to put this Cake Sale over. The sale will start at 10 A. M. and end when the cakes are all sold.

All cakes donated will certainly be appreciated and, if you can't bake a cake we will be there to sell you one already baked, ready to eat.

The East-West Game will be televised; therefore, if you don't have a ticket to attend the game just lok up the nearest Television Set and you will see your Drum and Bugle Corps in action.

We wish to thank the Brisbane P. T. A. for their very timely and generous donation of $10.00 this month. We appreciate it a lot and they can be assured that every cent will be used for the benefit of the Drum and Bugle Corps.

Wishing all of the people of Brisbanea a Very Merry Christmas and a Happy and Prosperous New Year!

December

In a few short days it will be Christmas. Wish your household a joyous Noel with gay decorations that will cheer the eye. A little work, a little thought will give your house a lot of Christmas personality that will pay generous dividends in everyone's joy. "Throw-aways" from your kitchen, can be converted into beautiful table ornaments.

For Christmas dinner, use a red tablecloth. Cover coffee cans with green paper and paste on stars. Fill the cans with juniper greens and stud with stars and small balls on wire. Handsome gold plastic butterflies build up a center. Circle the arrangement with a circle of twisted metal foil.

For a party table centerpiece make a huge snapper of an oatmeal carton (cylinder type). Cover it with shiny paper, stuff the ends with greens and ribbon. A placecard may be attached to the end of each ribbon.

Christmas List

Our Christmas cards are ordered now . .. And we have jotted down . . . The presents to be purchased for . . . The friendly folks in town . . . And those for all the relatives . . . At home and far away . To let them know we wish their hearts . . . A joyous Christmas Day . . We have the ribbons and the seals . . . The pretty paper too . . . And cash enough to undertake . . . And see the project through . . . We seem to be prepared and yet . . . There is a certain fear . . . That never fails to haunt our thoughts . . . About this time of year . . The dread of getting gifts or cards . . . From those whose names we missed . . . Despite how hard we struggle to . . . Complete our Christmas list.

A Good Deed For a Good Day

Sunday was strictly observed as a day of rest and prayer in little Bobby's home, and he had been warned not to play games on that day. One Sunday afternoon, his mother found him sailing his toy boat in the bathtub.

"Bobby," she said severely, "don't you know it's wicked to sail your boat in the bathtub on Sunday?"

"Don't worry, Mother," he told her with an angelic smile. "This is a missionary boat going to Africa."

Everyday Madonna

When Father carved our Christmas bird
And asked us each what we preferred,
As sure as summer follows spring
Came Mother's "Please, I'll have a wing."
We children never wondered why
She did not sometimes take a thigh
Or choose a drumstick or a breast,
We thought she liked a wing the best.
She said it with such easy voice,
It seemed so certainly her choice.
I was a man before I knew
Why mothers do the things they do.

BOYS' BASKET BALL TEAMS

The Recreation Center Basketball Teams have started their season.

There are two teams -- 90 lb. team and 110 lb. team. Both teams played their first practice games, Saturday, November 13 at the San Francisco Boys Club Gym.

The 90 lb. Team although leading practically all of the game, lost out by one point 15 to 14. Don Rose forward led the Team in scoring honors with 8 points and turned in a good defensive game.

The 110lb. Team played 120 and 130s and because of size and poor referees lost 44-26. Ray Record center, was high point man with 9 points. Larry Blanchard forward and Don Delbon, guard, turned in a very good defensive game.

Both teams have to be complimented on their fine sportsmanship which is always stressed and with a couple more practice games under their belts they will develop into two fine teams that everyone will be proud of.

* * *

November 20th Game

On Saturday, November 20th, Brisbane's Recreation Basketball Teams, both 90 lbs. and 110 lb. played Hayes Valley at the Hayes Valley Center Gym in San Francisco. The 90 lb. team although leading 24 to 16 at half time lost their game 35 to 29. The team's defense fell to pieces the second half and the team as a whole lost its eye making only 5 points in the whole second half.

Don Rose once again led his team in scoring honors by making 13 points and playing a fine defensive game.

The 110 lb. team came through winning their game by the score of 35 to 29, the same score the 90 lb. team lost by. The 110 lb. team showed much improvement and led almost all the way. Forward Larry Blanchard took scoring honors with 16 big points. Center Ray Record, guard, Hank Schmidt and guard Don Delbon all turned in a very good defensive game. The team leader by far in spirit is none other than little Richard Thrantham the team's "ball of fire."

The 110 lb. team is coming along fast and soon should be a legal contender for any championship.

Both teams are steadily improving and when we get teamwork down pat we will be hard to stop anytime and anywhere.

RECREATION ACTIVITIES

Activities at the Recreation Center are drawing more participants but not enough as yet.

Craft Classes on Tuesdays for children 5 to 9 years old are doing very well. At the present the children are in the praocess of making Christmas cards and doing well. These classes and all materials except for airplanes, are free and are very good for the children.

The older children meet every Thursday from 3 to 5 P. M. There are many things the children have made for presents and we would like to see more children down here.

Another activity doing very well is our Folk dancing held every Wednesday evening from 7 to 9 P. M.

We are getting quite a few adults now but would like to see many more come down.

Our proof that these people are having fun is that the same people return every week and that in itself is proof enough.

These two activities alone can take care of many participants but, we would like to see them filled to capacity, so lets all take a try at it and really see how much fun it is.

County Recreation Director

NEW MERCHANT

We have overlooked introducing to Brisbane a new business-woman who has been with us now for the past three months.

She is Miss Carmel Mertens, proprietor of the Hillside Cleaners. Miss Mertens is a native born San Franciscan and has lived there all her life. This is her first experience with a business of her own.

Besides the cleaning establishment and laundry she stocks a small line of gift novelties.

The best of luck for success in this new venture, Miss Mertens!

RECREATION CRAFT CLASSES

Craft classes are held at the Recreation Center every Tuesday and Thursday afternoons from 3 to 5 P. M. The classess are split up in age groups as follows:

Tuesdays, 5, 6, 7, 8 and 9 year olds only.

Thursdays, 10, 11, 12, 13 and 14 and over only.

At the present time there are approximately 25 members in each class. Some of the present crafts are finger painting, braiding, rug making, drawing, coloring, spatter painting, doily making, initial pins, basket making, knitting holders and the boys are making model airplanes. The airplanes are the only craft that costs anything.

For boys 9 and under the models cost 25c and for the boys 10 and over, 35c.

All of the work is supervised and the children under constant watching to prevent accidents and mishaps. These craft are very helpful to the children in many different ways and we would like to see many more participate.

GOOFY GOSSIP

My Goofy Gossip column went astray last month, so I will have to put the two months in one.

Thanksgiving Day, November 25th was I hope to all Brisbane people a good one. After all what more do we have to be thankful for than our forefathers had on their first Thanksgiving Day? They had the bare necessities of life, but when they landed at Plymouth Rock they diligently applied themselves to the erection of homes in which they lived and a church in which to worship their God. When Miles Standish and his Priscilla went to church on Sunday morning and carried a bible in one hand and his rifle in the other he was sowing the seeds that later blossomed into "American Liberty" freedom of speech, or worship, of life and the Pursuit of Happiness.

Many years have passed since that far off first Thanksgiving Day. Several generations have come and gone. Wars have been fought. Many lives have been lost. Happiness and sorraw have come to many in the past still the spirit of freedom has and will continue to exist in this great land of promise. Why? Because the generations past and present still believe in that freedom that is still ours. The Nation as a whole in our last election lived and demonstrated that they live the Democratic principles that our forefathers established when they celebrated their first Thanksgiving Day.

This month brings us Xmas. The Birth of the Lord and Savior. The World is full of happiness and giving: Charity, patience, brotherly kindness, if these things could only abide with us throughout the year what a place this would be to live in. We would then hold our enviable place in the world. There would not be the bickering, fighting and strife that now exists among the Nations of the earth.

....Instead the spirit of our forefathers on that first Thanksgiving Day would predominate in this land of the free and the home of this freedom loving people. Do we appreciate this great blessing that is ours? This is the month of the Xmas spirit. The giving and forgiving. May we appreciate the many blessings that are ours in this the year of our Lord and Master 1948.

OUR BEST WISHES FOR YOU A VERY MERRY XMAS AND ABOVE ALL A VERY HAPPY AND PROSPEROUS NEW YEAR ALL THROUGH 1949.

Keep in mind we still sell and buy your Real Estate for cash, also write your auto and fire insurance on your home or car. Only the best. Call us. Remember where you get "Clean Deals in Dirt."

So long until next time.

Meetings are held Monday and Thursday evenings at 7:30 P. M. in the School Recreation room. FIRE DEPAPTMENT NEWS

November was a busy month for the Firemen with 21 alarms answered; 14 of these were ambulance calls.

The annual Christmas Party for the Firemen and their families will be held December 22nd at 8 P. M. in the American Legion Hall, 250 Visitacion Avenue. Chairman Tann and his committee have been working hard to make this our usual happy event. The Ladies Auxiliary of the Fire Department is helping this committee with the food preparations.

Our "Ma" of the Fire Department Mrs. Frances May and her sons Chuck and Bill have donated quite a number of toys for the children; of course Santa will be there to hand them out.

Once again we are asking the public to be careful to check all tree lights and please do not leave them burning when you go out. We are trying our best to avoid accidents.

The members and officers of the Fire Department wish everyone a Joyous Holiday Season.

L. H. Terry, Chief.

It is against the law to have open fires without first obtaining a permit. This law will be strictly enforced by Fire Marshal R. Siess and Chief L. Terry. Permits may be obtained from the Marshal or Chief.

Premises subject to inspection.

The Firemen's Soft Ball Trophy will be on display at the Mohawk Service Station real soon.

SUNDAY OUTING ENDS IN RESCUE

Enjoying a fishing trip on a November Sunday afternoon at Antioch Mr. and Mrs. L. Jenkins of Mariposa Street, accompanied by Mr. and Mrs. Elmo Simmons of San Francisco, never dreamed that they would end the day saving lives.

The two couples attention were attracted by cries for help coming from a nearby craft, in fact the only other boat in sight.

The Jenkins boat immediately set out to reach the other and found an elderly man and wife waving frantically and requesting to be helped off because of a leak in their boat and it was filling up rapidly.

In only a matter of minutes after the distressed couple, their dog and cat were put safely aboard the pier their boat sank completely out of sight.

It was learned that neither the man or his wife could swim and were contemplating buying said boat and were giving it a try-out.

In the excitement introductions went unnoticed, none of the couples ever did learn each other's names.

SHOWERS!

It appears that showers are in order both indoors and out for the month of December.

The following ladies were the guests of honor at recent stork showers:

Mrs. Dorothy T. Cole was honored guest on the evening of November 29th. The party took place at Trafford's Hall with 35 guests in attendance. The hostess Mrs. Beatrice Carrigan, Mrs. Vera Blair and Mrs. Ellen Frank served refreshments at the close of a grand evening. Mrs. Cole received many beautiful gifts.

Mrs. Esther Roland, another guest of honor at the Ingram home on Klamath Street in early December was the recipent of several gifts. Mrs. Bonnie Ingram, the hostess served refreshments to 15 guests.

Mrs. Waneta Murphy, a third honored guest, Wednesday evening Decemer 8th at the Fountain of Youth. Hostesses at this party were Mrs. Vera Scott and Mrs. Ellen Frank. Twelve guests attended and showered Mrs. Murphy with gifts. Refreshments were served.

My Little Girl

Today my daughter, who is 7 years old, started to school as usual. She wore a dark blue dress with a white collar. She had on black shoes and wore blue gloves. Her cocker spaniel whose name is Coot, sat on the front porch and whined his canine belief in the folly of education as she waved good-bye and started off to the hall of learning.

Tonight we talked about school. She told me about the girl who sits in front of her,the girl with the yellow curls, and the boy across the aisle who makes funny faces. She told me about her teacher, who has eyes in the back of her had, and about the trees in the school yard, and about the big girl who doesn't believe in Santa Claus. We talked about a lot of things —tremendously vital -- unimportant things; and then we studdied spelling reading, arithmetic— and then to bed.

She's back there now—back in the nursery sound asleep with "Princess Elizabeth" (that's a doll) cuddled in her right arm.

You guys wouldn't hurt her, wont you? You see I'm her daddy, When her doll is broken or her finger is cut or her head gets bumped, I can fix it -- but when she starts to school, when she walks across the street, then she's in your hands.

She's a nice kid. She can run like a deer and darts about like a chipmunk. She likes to ride horses and swim and hike with me on Sunday afternoons. But I can't be with her all the time; I have to work to pay for her clothes and her education. So, please help me look out for her. Please drive slowly past the school and intersections -- and please remember that children run from behind parked cars.

Please don't run over my little girl.

(Signed) A Father
